Bombardier Global Express 6000

Information and Specifications

The Bombardier Global Express 6000 represents the pinnacle of business aircraft. The aircraft was designed to help you get things done, from conducting a business meeting to getting a good nights sleep, work, rest or play. With a re-imagined interior design and more room than its nearest competitor, this aircraft delivers maximum comfort. Furthermore, this aircraft offers the finest combination of speed, field performance and ride quality. Advanced sound proofing materials with proprietary interior and exterior design techniques contribute to the lowest in class sound levels. The aircraft offers wifi and in-flight entertainment.
